FORESTADENT CAMPUS 365

Start your continuous education now!

Welcome to our campus

We'd like to give you the usual reliable and practical help to satisfy your thirst for knowledge that you'd expect from us with our new continuous education program. Let us assist you in your everyday practice and lab routines by demonstrating new treatment approaches, showcasing innovative product solutions and teaching treatment-related skills. Trust in our speakers' expertise and experience. They will help you to broaden your professional horizon. Whether you're after fixed appliances, skeletal anchorage, Class II correctors, CMD splints, a fully digital workflow, or a specifically selected addition to supplement traditional treatment methods - be curious and enjoy learning about trendsetting orthodontic solutions.

1. An overview of data protection

General information

The following information will provide you with an easy to navigate overview of what will happen with your personal data when you visit this website. The term "personal data" comprises all data that can be used to personally identify you. For detailed information about the subject matter of data protection, please consult our Data Protection Declaration, which we have included beneath this copy.

Data recording on this website

Who is the responsible party for the recording of data on this website (i.e. the "controller")?

When cookies are deleted by you the use of the website and the collection of data will be affected. However, if you delete cookies, your personal data will not be deleted. The reason for storing the data no longer applies. Stored cookies remain on your end device until you delete them. Mandatory legal retention periods remain unaffected.

We have no influence on the duration of storage of your data that is stored by the operators of the conference tools for their own purposes. For details, please contact directly the operators of the conference tools.
